GENERAL

The following fees and escrows are to be paid in advance by applicants via two (2) separate checks; one for the fee made payable to "Silver Spring Township" and one for the escrow made payable to "Silver Spring Township Developers Fund." If the escrow collected in accordance with this Fee Schedule does not cover the reasonable/necessary cost to review the plan, Silver Spring Township shall bill the applicant for additional charges. No further permits/approvals shall be granted until all fees, invoices, and escrows have been paid. The balance of the escrow, if any, shall be refunded to the applicant if it has not been exhausted during the review process.

Any work performed without having first completed the appropriate applications and obtaining the necessary permits shall be assessed a charge of double the permit fee, up to a maximum of \$1,000.00.

PUBLIC WORKS

Fees are applied to the administrative costs incurred in reviewing the application and plan(s) and issuing and processing the permit, including the preliminary review of the site location identified in the application, and are due whether or not a permit is issued and processed.

APPLICATION

A. Driveways	
Single Family Residential	\$ 30.00
Multi-Family/Commercial.....	\$ 100.00
B. Surface Openings	\$ 50.00

INSPECTION

These fees are applied to the costs incurred in the preliminary review of the location covered by the permit, and/or spot inspection of the permitted work, and/or subsequent inspection after the permitted work has been completed to ensure compliance with Township specifications and permit provisions. All work must be completed within six months of permit issuance.

If the Township determines that the permitted work is of sufficient magnitude or importance to warrant assignment of one or more persons to inspect the permitted work on a more than spot inspection basis, the permit will so indicate and the permittee shall be charged for additional salary, overhead and expenses incurred by each assigned inspector and the Township.

If an opening simultaneously occupies two or more highway areas identified and is for an area other than a right-of way, the higher fee will be charged. This includes above-ground facilities, e.g., poles, guys and/or anchors if installed independently of poles. A \$75.00 minimum fee will apply for all initial surface openings.
